

User's Manual

The proponents created a set of instructions to guide users in navigating through the StudyBuddy app, detailing how to access and use various features. This manual aims to assist users in understanding how to effectively utilize the app for collaborative study, note-taking, and managing study materials, ensuring ease of use for specific tasks and processes within the platform.

Figure

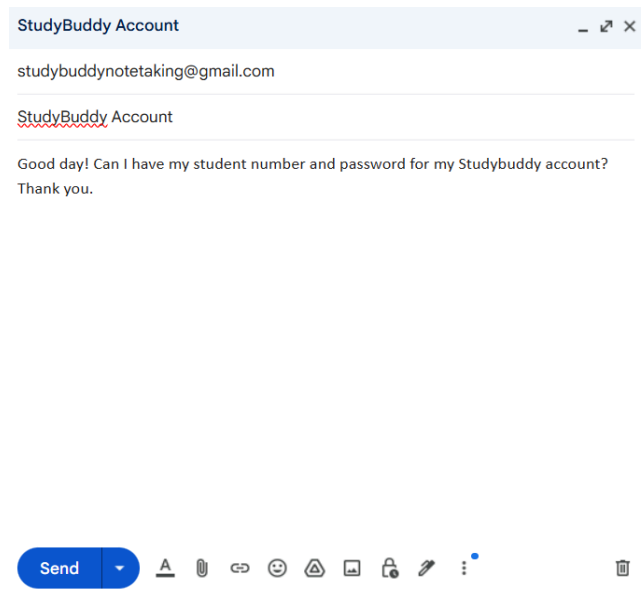

User Login Page

The image shows a dark-themed user login page for 'StudyBuddy'. At the top left, the 'StudyBuddy' logo is visible in blue and white. In the center, there is a white-bordered box containing the login form. The form includes the 'StudyBuddy' logo, a 'Student Number' label with a corresponding input field, a 'Password' label with a corresponding input field, a 'Forgot password' link, and a 'SIGN IN' button. At the bottom of the page, a small line of text reads: 'Please send an email to studybuddynotetaking@gmail.com for your StudyBuddy account.'

This is the page where the user should input their student number and the password given by the admin to verify their login. However, the user needs to email the admin first for their registered account.

Figure

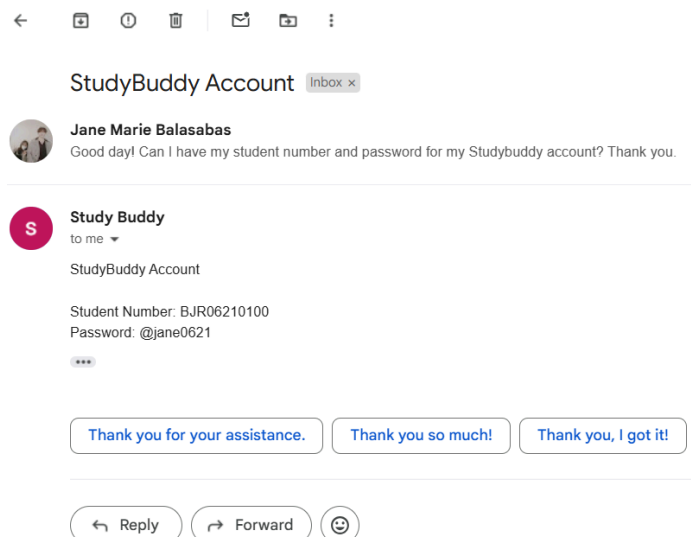

Email Format

The user should send an email to @studybuddynotetaking@gmail.com in order to get their student number and password or just simply click the email below to direct you in the gmail section to send an email.

Figure

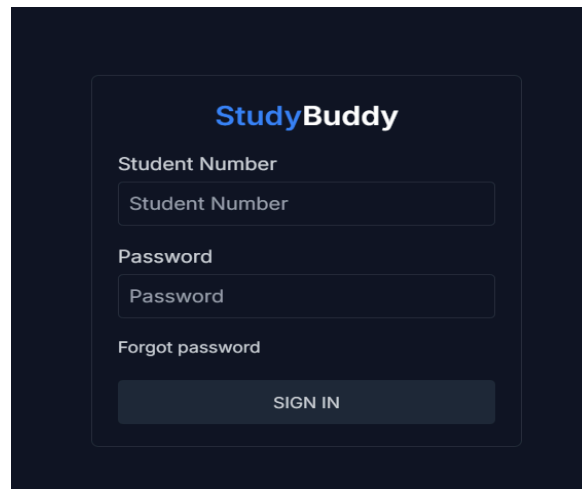

Confirmation Email

Once they sent an email, the admin will automatically give their student number and password registered on the app via email.

Figure

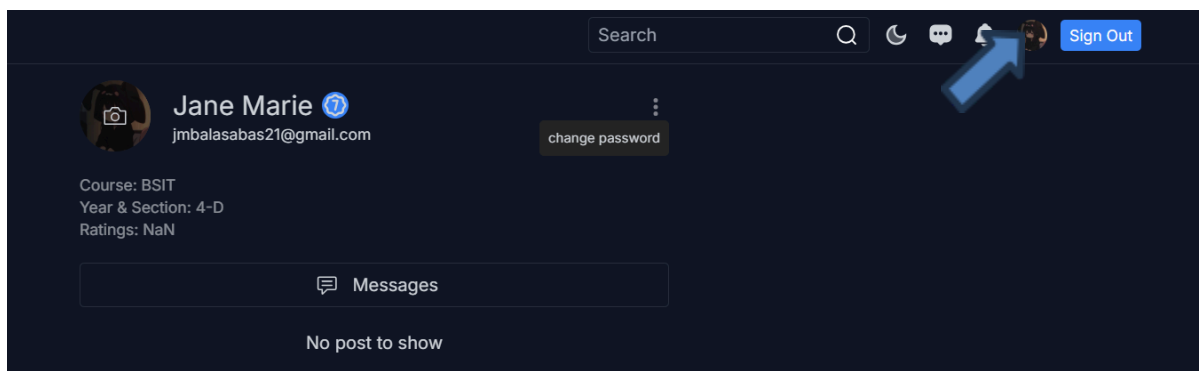

Sign In

A dark-themed sign-in page for StudyBuddy. The page features the StudyBuddy logo at the top. Below the logo, there are two input fields: one for the Student Number and one for the Password. A link for 'Forgot password' is located below the password field. At the bottom of the form is a 'SIGN IN' button.

This is the log in page. Once the user already got their account, the user can already input the registered StudyBuddy account and access the app.

Figure

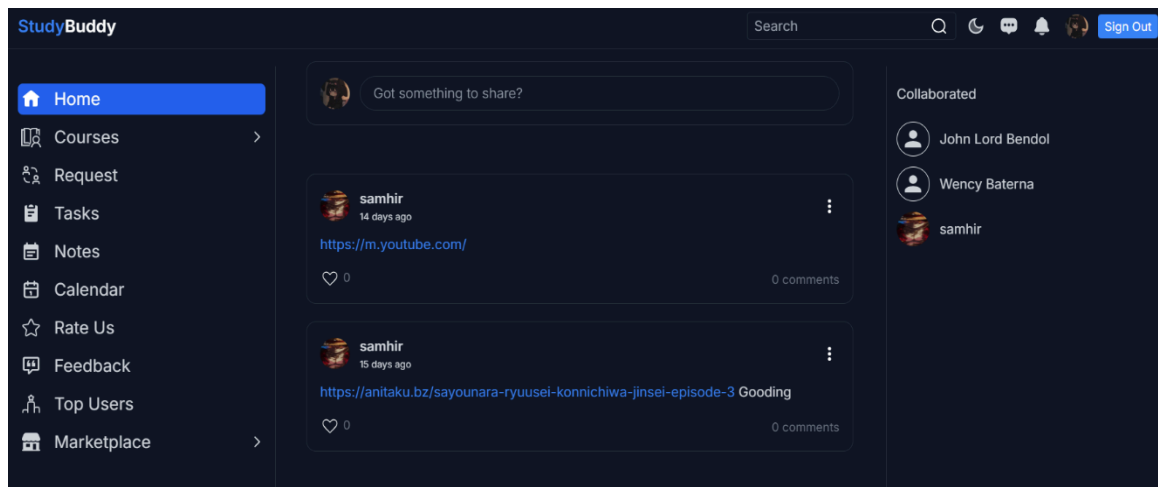

Profile and Password Changing

A dark-themed user profile page for StudyBuddy. The page shows the user's profile picture, name 'Jane Marie', and email 'jmbalasabas21@gmail.com'. Below the profile information, there are fields for 'Course: BSIT', 'Year & Section: 4-D', and 'Ratings: NaN'. A 'change password' button is visible. At the bottom, there is a 'Messages' button. The top of the page features a search bar, a 'Sign Out' button, and a blue arrow pointing to the user's profile picture.

This page is where the user can change their password and profile picture. Just click the user icon on left side in order to access this page.

Figure

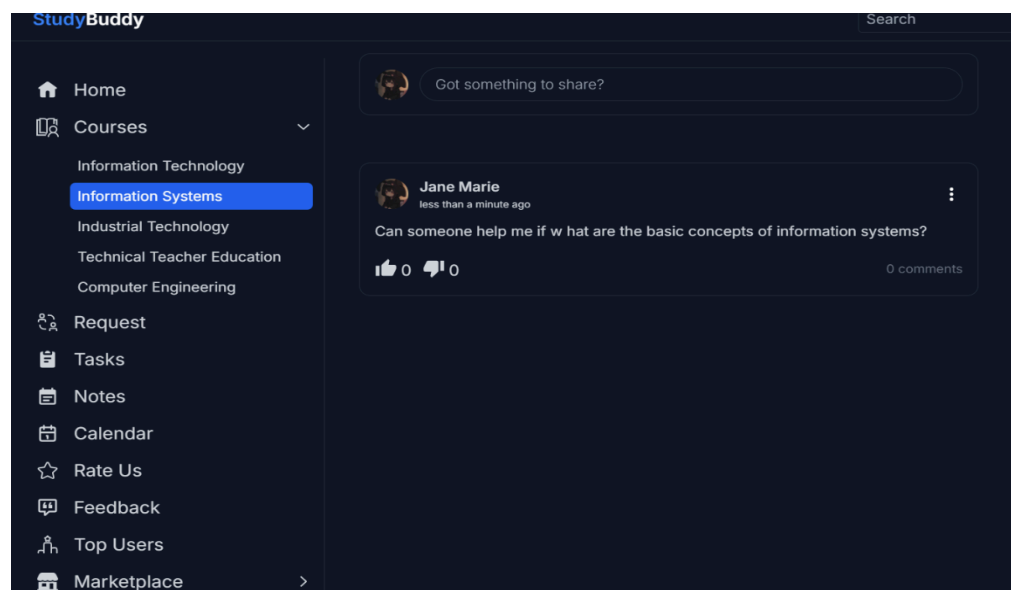

Newsfeed

This is the page where the user can see all the posts from other users that are set in public where they can interact with each other.

Figure

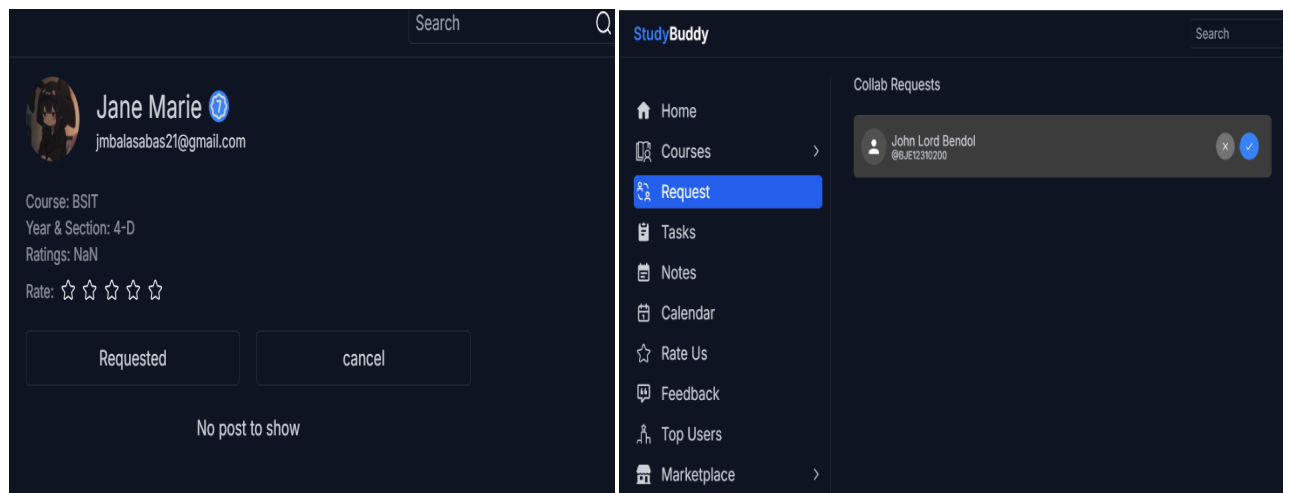

Courses

This is the page where the user can post to the students of a specific course and ask for a help for their activities or assignments.

Figure

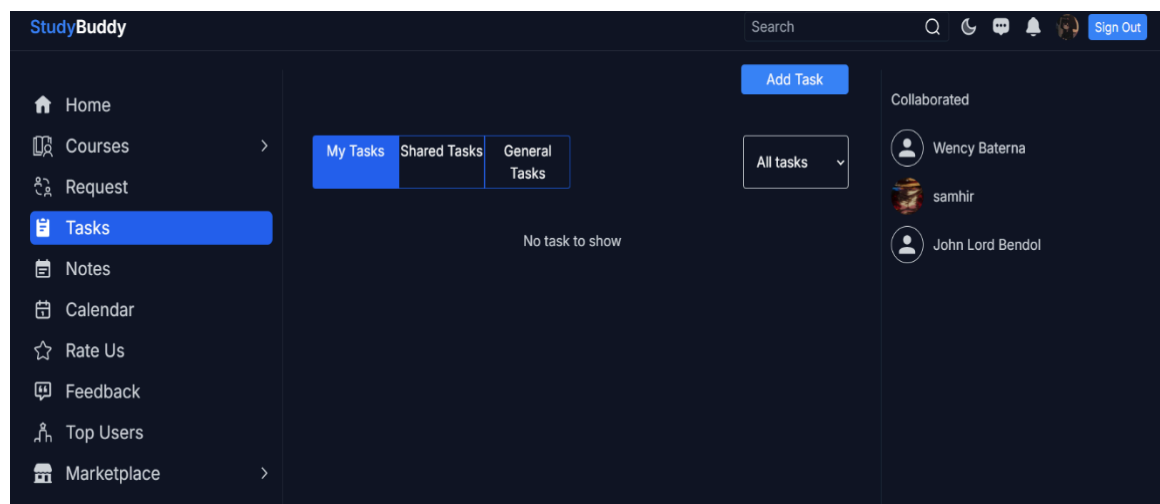

Collaboration Request

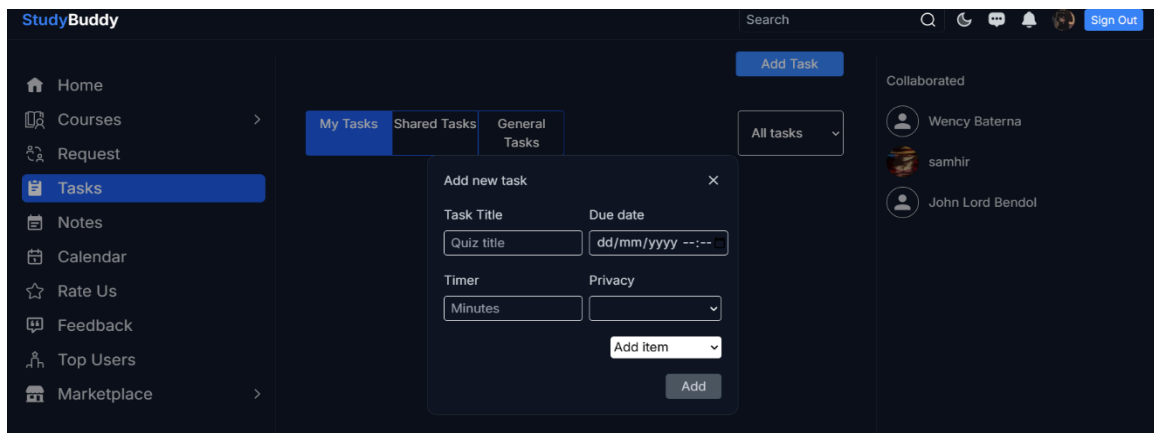

The user can send a collaboration request to the other users in order for them to collaborate on their academic endeavors.

Figure

Add Tasks

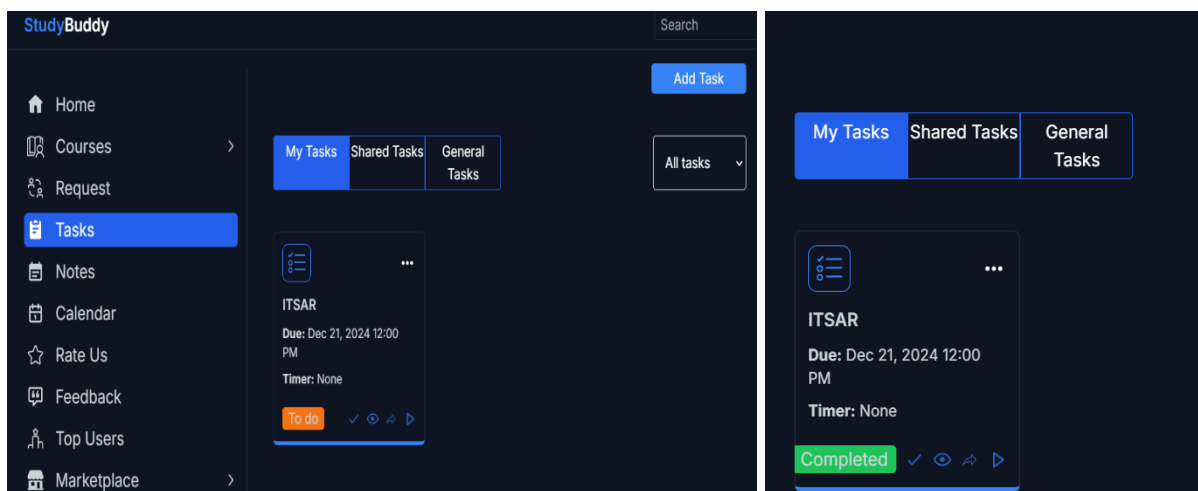

This page allows users to add tasks, access the user's own tasks, shared tasks from collaborators, and view publicly assigned tasks. A dropdown menu in the upper right corner provides easy navigation. Users can create multiple-choice, true/false, and fill-in-the-blank tasks, setting timers, deadlines, and privacy settings (public or private). This serves as a study tool for quizzes and exams.

Figure

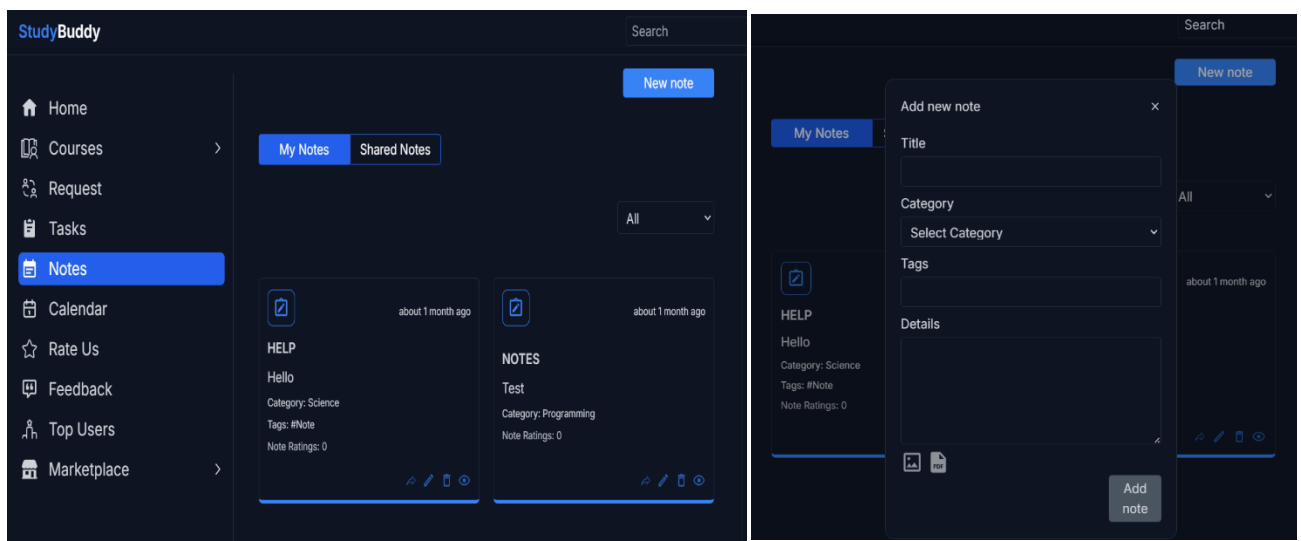

Share Tasks

After creating a task, users can answer it by clicking the play icon. Upon completion, clicking the check icon marks the task as "Completed". To share a task, click the arrow button to select collaborators.

Figure

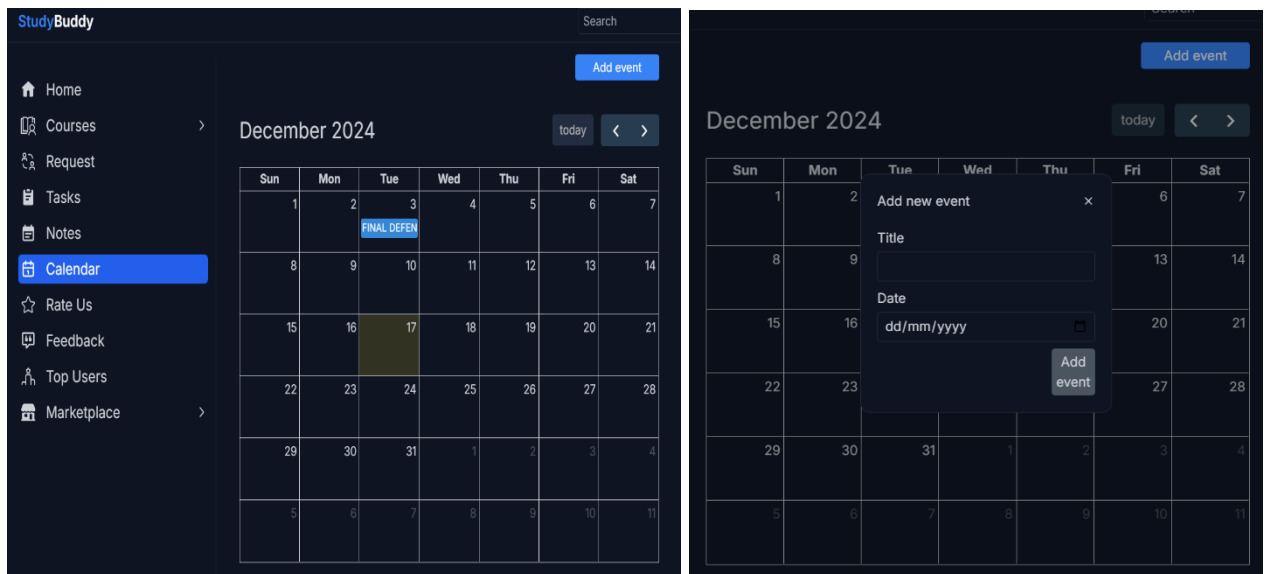

Add Notes

This page lets users create, access, and manage notes. Created notes appear in the "My Notes" section and can be shared with collaborators via the arrow button. Shared notes by other users appear in the "Shared Notes" section. A dropdown menu in the upper right corner provides easy navigation. Users can edit (pen icon), delete (trash icon), and view (eye icon) their notes.

Figure

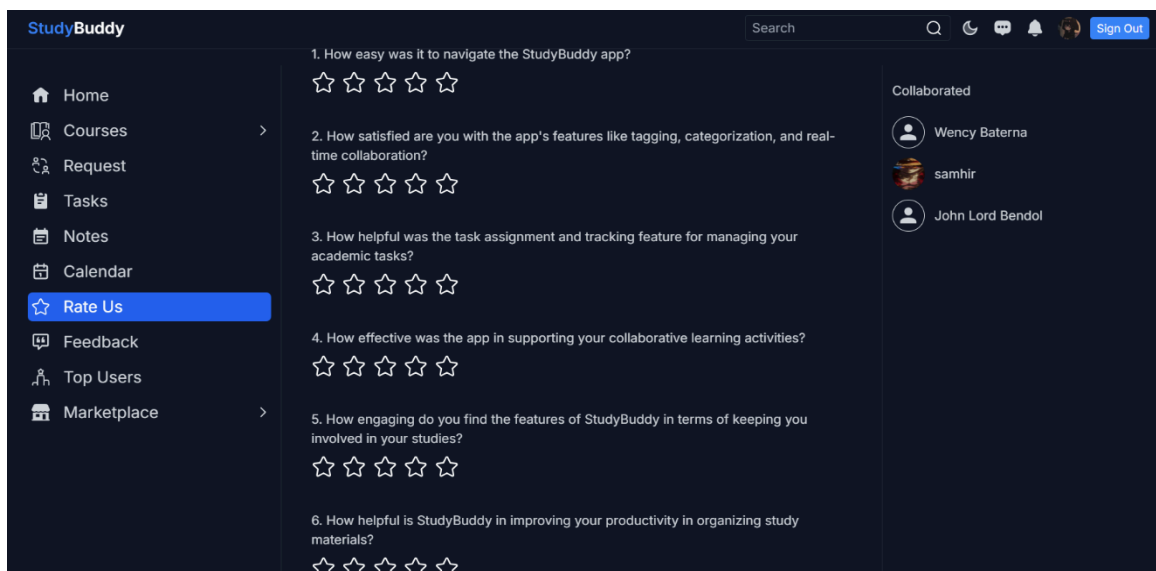

Calendar

This page allows users to set an event that will serve as a reminder for their upcoming tasks, quizzes or events.

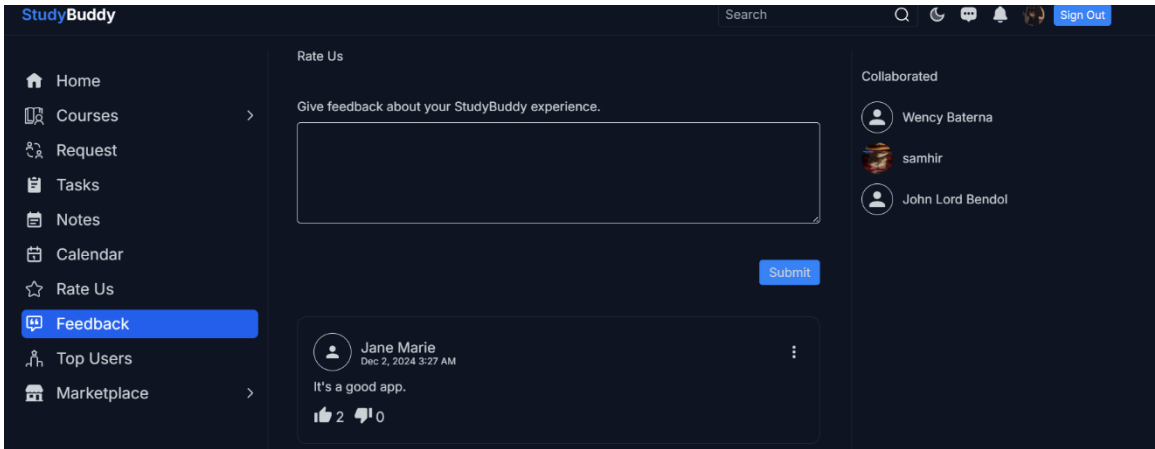

Figure

Rate Us

This page allows users to rate the app's functionality, helpfulness for academic work, and overall satisfaction with its features.

Figure
User Feedback

This page allows users to submit feedback and suggestions for improving the app.

Figure
Top Users

This page allow users to view the Top Collaborators and Most Rated Users within the app. With this feature, it can help the user to know who are the trusted users within the app that can help them in their academic endeavors.

Sell a product

The screenshot displays the 'StudyBuddy' app interface. On the left is a dark sidebar with a navigation menu containing: Home, Courses, Request, Tasks, Notes, Calendar, Rate Us, Feedback, Top Users, and Marketplace. The 'Marketplace' section is expanded, showing 'Sell a product' (highlighted in blue), 'Sellings', and 'Listings'. The main content area is titled 'Create a listing' and contains a form with the following fields: 'Product Name' (text input), 'Product Description' (text area), 'Product Price' (text input), 'Product Category' (dropdown menu with 'Select Category' text), 'Product Quantity' (text input), and 'Product Image (Atleast one image)' (button labeled 'Choose product image'). A blue 'Create a listing' button is positioned at the bottom right of the form. On the right side of the app, there is a 'Collaborated' section showing three user profiles: Wency Baterna, samhir, and John Lord Bendol.

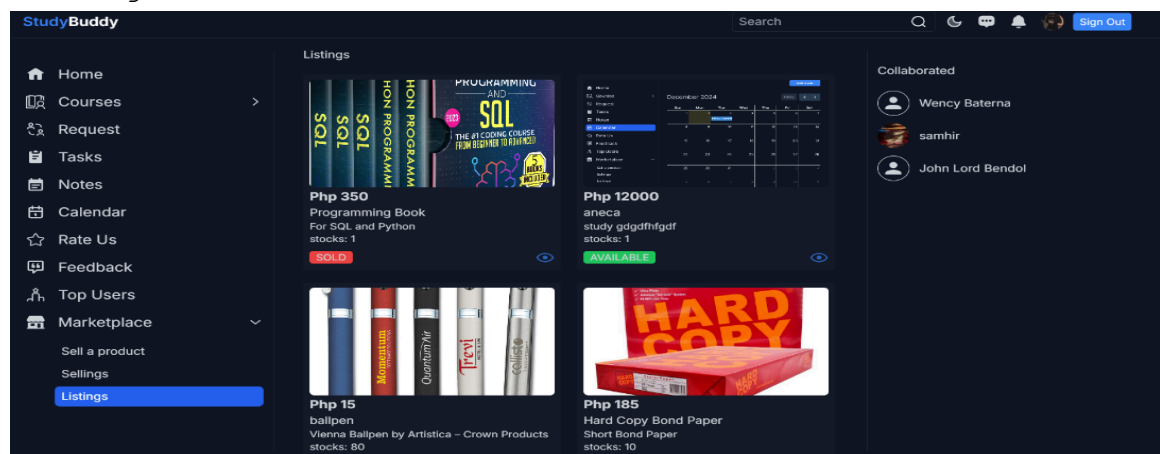

This page allow users to sell a product within the app to help them in their finances. This feature is particularly useful for working students.

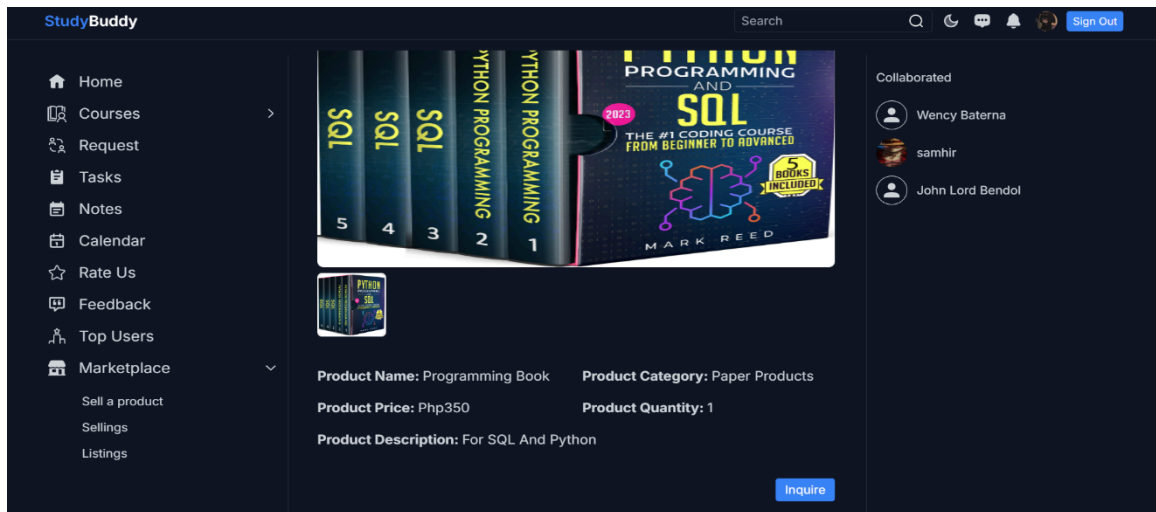

Figure
Sellings

This page allow users view the product they are selling. By clicking the pen icon, it allows the user to update their product to change the amount of quantity and if the product is still available or sold.

Figure
Listings

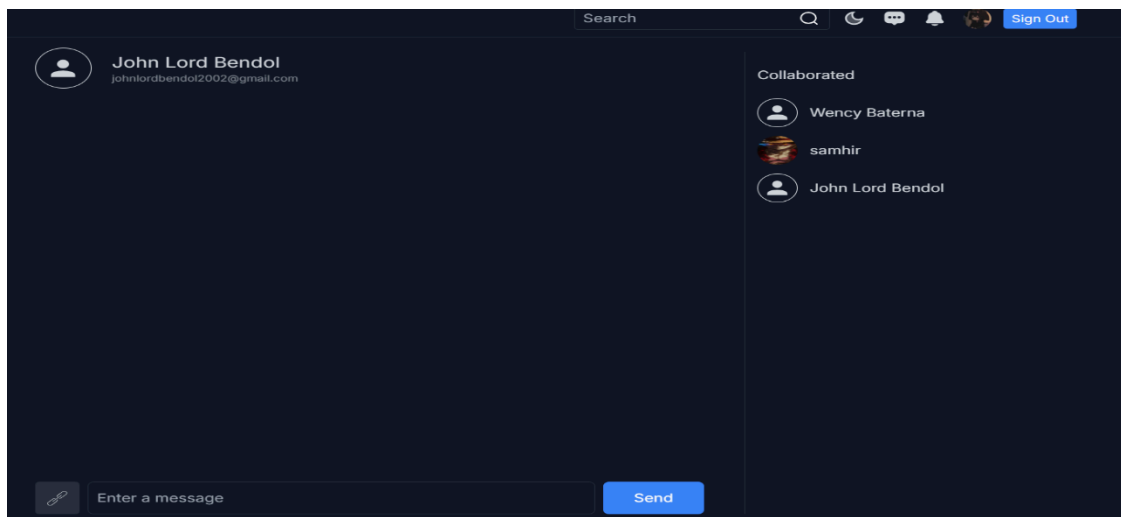

This page allow users to view the marketplace where they can browse and see what products are available to buy. To view the details of the product, click the eye icon. If the user wants to buy the product, click the inquire button at the bottom right that will direct to a messaging box to contact the seller.

Figure

Message box

This page enables communication between users, including the sharing of notes with file attachments, and facilitates direct contact with sellers.
